Note:

Scholarship Quantum Amount - This refers to the total amount of fees waived by the institution over the total duration of study.

Remaining Amount Payable - This is the remaining amount payable to the institution over the total duration of study. This is the amount you can apply to AMMA Foundation for financial assistance Please note that full financial assistance may not always be guaranteed, in which case the student will have to make up the difference through self-funding or from other funding sources.

There may be other fees charged by the institution, such as registration or application fees. You must check on this directly with the institution before you apply.
